**Summary:**
- The New Hebrides were annexed by France in 1906, following an understanding with Great Britain that neither country would annex the islands unilaterally.
- The French government had landed troops in 1886, and had since moved to annex the islands by petitioning the British government.
- Despite Britain and France's agreement to not annex the islands, the French government proposed annexation.
- The British government sought to exchange any English claims to the New Hebrides for the French to avoid annexation.
- The New Hebrides were declared a condominium by Britain and France in 1906, with joint administration.

**Context:**
- The New Hebrides, also known as Vanuatu, were a group of islands in the South Pacific Ocean.
- The islands were inhabited for thousands of years by indigenous peoples.
- The French and British governments had differing interests in the area.
- The struggle for control in the New Hebrides involved British and French colonial ambitions.
- The New Hebrides Condominium was established to manage the islands jointly.
